Sts. Peter and Paul

Catholic School

Even before Sts. Peter and Paul Catholic School opened, ideas for the school were being developed and researched. In an effort to show the Diocese the school would be supported by the community, several area leaders put together the initial Knight Classic Golf Tournament in 2007. The outpouring of support from the community was the proof needed to begin building the school. Sts. Peter and Paul Catholic School opened its doors in 2008 with grades PK-3rd to benefit the entire parish and surrounding areas. As we celebrate this 12th Anniversary, the community support remains strong and unwavering. The event is one of the finest golf tournaments in the Lafayette area and continues to grow each year.

This year in PK-8th grade the school is educating over 360 students in Catholic education. Enrollment for the 2018-2019 school year is projected to be approximately 385 students. Please show your support as the school continues to grow each year in providing a foundation in the Catholic faith for our community's young citizens.

Register early to reserve your team.
