Bag Lunch Guidelines

Food and Nutrition Services strive to
promote a healthy nutrition
environment in your child's cafeteria.
We ask that parents are mindful of
what is packed in lunches from
home as certain items can cause
distraction in the lunchroom.

Foods ENCOURAGED to be packed in a lunch from home:

Fresh fruits and vegetables:

Cutting and portioning fresh fruits and vegetables are
a great way to encourage your child to eat and enjoy
more fresh produce

Whole grains:

Whole grains versus enriched, processed grains will
provide your child with fiber while keeping them full
longer. Some examples of whole grains include whole
grain sandwich bread, wraps, pita, crackers, pasta,
and cereals.

Protein:

Examples include turkey, chicken, roast beef, ham,
tuna, hard boiled eggs, Greek yogurt, and
beans/legumes. For the safety of our students with
allergies, we ask that you do NOT send your child to
school with any peanuts or nut products.

Beverages:

Low fat milk, 100% fruit juice, or water can be
packed from home or are available for purchase in
your child's cafeteria.

Leftover meals:

Leftover home-prepared meals can provide a
nutritious meal that your child will enjoy.

Foods that are NOT allowed in your child's cafeteria:

Peanuts and foods containing nuts:

Many students are sensitive or have life-threatening
allergies to peanuts and nut products. Please do NOT
send your child to school with foods containing nuts.

Candy:

Foods of minimal nutritional value can cause
distractions in the cafeteria. We kindly ask that you
save candy for after school.

Chips:

Many chips are high in saturated fats and sodium.
Look for baked varieties or whole grain crackers
instead.

Soda, Sweetened Beverages:

Sodas or sweetened beverages are typically high in
sugar content with minimal nutritional value. These
drinks can cause distractions in the cafeteria.

Fast Foods:

Please refrain from sending your child to school with
fast foods. Fast food packaging and logos are
prohibited in the cafeteria per USDA guidelines.

When packing your child's lunch from home, use ice packs or a thermos when appropriate
in order to keep cold foods cold and hot foods hot.
