Knight's News

Doing the will of God.

August 26th, 2026

Our virtue of the Month for September will be Charity. In many ways, Charity is like a garden. A garden grows when it is cared for, watered, and given sunlight. Our heart grows in the same way when we care for and love others. Even the smallest act of kindness can be like planting a tiny seed. A smile, a helping hand, even just a kind word can help God's love grow. We may not always see the flowers right away, but God sees every seed we plant.

May we always be willing to plant seeds of kindness, water them with love, and help God's garden grow.

Initial Safe Environment Training is next week, Tuesday, September 1st. Please see page 2 for more information.

DISMISSAL PROCEDURES: Car rider signs should be visible on the dashboard or hanging from the rear view mirror at all times and until your child enters your vehicle. Students must enter the vehicle from the passenger side. You may pull up and off to the side to buckle them in if necessary. This is for the safety of our students and the efficiency of our line.
